Hot sun dancin' on the river
We're sittin on the bank,
watch the world go by
Our feet in the water
She pressed her lips to mine
We were so long on love
but short on time
She could be a honeymoon sweet
and a little wild
But she was mine
oh, for a little while
Chorus:
I laugh everytime I start to
think about us
We sent that summer out in style
She's gone, but she let me with a smile
Cause she was mine for a little while
We'd take a ride and head on down
to airport road
Put the seats back;
Watch the planes leave town
She always said nobody's strong
enough to tie her down
Oh, but I wasn't lookin' for that
anyhow
I knew she'd leave,
but I didn't know when
It matters to me now
oh, but it didn't back then
Chorus
I keep seein' pictures now
of me and her and those summer nights
My mind fills with her
Oh, but it's alright
Chorus
