You always had an eye for things that glittered
But I was far from bein' made of gold
I don't know how but I scraped up the money
I just never could quite tell you no
Just like when you were leavin' Amarillo
Takin that new job in Tennessee
And I quit mine so we could be together
I can't forget the way you looked at me

Just to see you smile
I'd do anything
That you wanted me to
And all is said and done
I'd never count the cost
It's worth all that's lost
Just to see you smile

When you said time was all you really needed
I walked away and let you have your space
Cuz leavin' didn't hurt me near as badly
As the tears I saw rollin' down your face
And yesterday I knew just what you wanted
When you came walkin' up to me with him
So I told you that I was happy for you
And given the chance I'd lie again

Just to see you smile
I'd do anything
That you wanted me to
And all is said and done
I'd never count the cost
It's worth all that's lost
Just to see you smile

I'd do anything
That you wanted me to
And all is said and done
I'd never count the cost
It's worth all that's lost
Just to see you smile
