Nothing comes for free so play along,
Play along I dare you
Happy as can be
YouÂ've fooled yourself and all your friends around
you
And you donÂ't know what to think anymore
So you let them think for you
Lucky youÂ...

You donÂ't know yourself Lucky you And you donÂ't know yourself Lucky youÂ...

Ignorant you sleep
ItÂ's so damn hard
ItÂ's so damn hard to wake you
Busy counting sheep
The world has passed
The world has passed right by you
And you donÂ't know what to think anymore
So you let them think for you
Lucky you

You donÂ't know yourself Lucky you And you donÂ't know yourself Lucky youÂ...
