(intro)

Yeah (yeah)

Yeah - yeah (yeah, yeah)

I'm in da club goin crazy

The way you rock your body is amazing

The way u move, the way you slap

And make me wanna stick with you girl out loud

Looking mamma sticking going bad

Love the way she breakes down

Whole time we do it

Yestern mama about to take out (x5) (take out x4)

I'm in da club goin crazy

The way you rock your body is amazing

The way you move, the way you slap

And make me wanna stick with you girl out loud

I'm being watching you, and what you do,

The way you move, makes me want you (yeah)
