It's believed I keep that fire, new just heard my liar,
I'm about to win, now everybody in the quiet,
All of you be quiet, let me start a ride,
Everybody give a side at one time
I'm about to get it down, right now I'm in my zone in,
I'm zoning all that,...
I'm smokin' all that kush, all the niggers leaking pussy,
I am on my ground, I am doing this, and it really don't
matter nigger
Every day I am who you see.
I got that fresh,... they thought they kill em nigga
Now tell me... so what you want:

[Chorus:]

Smoke, smoke, smoke, smoke, smoke,
Smoke, smoke, smoke, smoke, smoke, yeah, yeah.

I got that purple in the blue, I got the... two,
We got everything you need if you want it call me,
I am in my fucking town and I come to get it own,
If you want kush nigga I'm what you're looking for,
Nigga ain't got... my fucking zone,
In my... needed call on us, lean on us,
Trust in us, I swear you will never be small on us,

Nigga we did em sex so bad that you can put it on your
bed,
Gotta nigga feel like you run away from home, like
what the f*is going on.
I got that pressure nigga, they thought they kill em
nigga
Don't tell me they fligga nigga, so what you want:

[Chorus:]

Smoke, smoke, smoke, smoke, smoke,
Smoke, smoke, smoke, smoke, smoke,

Boom, let me put a purse on the cell phone,
Let me put in his bone phone,
And you will not smoke for three days
And then you will wake up at everybody like you don't

There's a... let me put some
I got that pressure, that baby don't you,...
Some I am not..
You might need a gas man,... in your ass,...
You niggers move like...
So nigga pass,... it can't be that bad like afro man

I got that pressure nigga, they thought they kill em
nigga
Don't tell me they fligga nigga, so what you want:

Smoke, smoke, smoke, smoke, smoke,
Smoke, smoke, smoke, smoke, smoke, yeah, yeah.
Smoke, smoke, smoke, smoke, smoke,
Smoke, smoke, smoke, smoke, smoke, yeah, yeah.
