Yeah
So it's me
And some other shit
'Cause it tells you
Every thang that you wanna hear
Buy you
Say you
Take you
Know you
Know you
Soothe you
And please you

I Love you
Until these days are gone
Yeah
I Love you
Until these days are gone

'Cause I'll always Love
You
I'll always Love you
Let me ease your pain
Let me ease ya
Ease your pain
Let me ease ya
'Cause I'll always Love you
I'll always Love you
I said let me ease your pain
Let me ease ya
I said let me ease your pain
Let me ease ya

I'll reveal to you all I see
All I see, all I see
Show you the way
Let me free you
With the warmth of the rising sun
Free you
With the warmth of the rising sun
Cause I'll always Love

You
I'll always love you
Yeah
Let me ease the pain
Let me ease ya
Ease the pain
Let me ease ya
'Cause I'll always Love
You
I'll always Love you
Yes I will
I said let me ease your pain
Let me ease yah
I said let me ease your pain
Let me ease yah

Free you with the warmth of the rising sun
Let me
With the warmth of the rising sun
With the warmth of the rising sun

'Cause I'll always Love
You
I'll always Love you
I said let me ease your pain
I said let me ease your pain

Yeah
'Cause even though you break my heart
My wretched soul won't forsake me
Won't forsake me
Yeah
Cause even though you break my heart
Don't forsake me
Always
Love you

Lift me high
Lift me high
Lift me high
Lift me high
Take me high
Take me high
Don't forsake me
Don't forsake me
Hide me
Only one that Loves me
Only one that Loves me
Only one to hold me
Ease my pain
Yeah.
