Mama never cared much 'bout dreams  
Or Love  
She said it reminded her of my daddy  
My daddy  
He Loved to fly  
He'd say

Death will come fast  
I wanna be free  
And closer to the sky  
Love grows cold,  
Lonely and tired  
On the wings of angels  
I want to fly  
Daddy's just the blood in my veins  
Shadows in my mind  
As i'd watch my mama drown in her tears  
He'd say

"i can't promise you Love  
And i can't promise you me"  
In my heart of hearts  
I yearn to fly

And death will come fast  
I wanna be free  
And closer to sky  
Love grows cold,  
Lonely and tired  
On the wings of angels  
I want to fly  
I want to fly  
I yearn to fly

And death will come fast  
Death will come fast  
I yearn to fly
