La la, la la la
So happy i'm here
La la, la la la
La la, la la la

Born on a black star
I've come so far
To give you Love
Beautiful,
Beautiful Love
Beyond the stars
Is where i'm from
Come with me
We can live in Love

I come from a world made of Love
I wanna take you there
I come from a world made of Love
I, i wanna take you there
We can fly, butterflies
Don't leave
Stay
Stay with me
Say you Love me
Look in my eyes
"i Love you"
Yeah, i just wanna Love you
With beautiful,
Beautiful Love

Made of Love
I wanna take you there
I come from a world made of Love
I wanna take you there
We can fly, butterflies

We can fly
Butterflies
Come with me
We can fly
Butterflies

We can fly

Come to me

We are the sun...
