My god can't hear me
Sweet heaven done fallin' from the sky
I'm tryin' to find my way, home
My god, can't hear me
Sweet heaven fallin' from the sky
Tryin' to find my way back home
Yes i am

Yeah
Been sufferin' so long
Mama don't cry no more tears

I've broken my own heart
That my soul don't dream
?
Somebody save me
Somebody save me

'cause god can't hear me
Sweet heaven done fallin' from the sky
Tryin' to find my way, home

God can't hear me
Sweet heaven done fallin' from the sky
Tryin' to find my way home
Oh

Yeah, i've been sufferin' so long
My mama don't cry no more tears
Don't cry no more tears
I wanna be, but i can't get no where
I wanna feel Love, but ain't nobody there
My, my, my body get tired
Yeah, my mind gets so, weary
And the heart, oh so heavy

'cause god can't hear me
Sweet heaven, done fallin' from the sky
I'm tryin' to find my way, home

My god can't hear me

No
Sweet heaven, done fallin' from the sky
Got to find my way home
A long way from home

Yeah
Yeah, i've been burdened with such sorrow
Mama, don't cry no more tears

My mama don't cry no more tears
Heart so heavy

'cause god can't hear me
Keb' i said god can't hear me
Ain't nobody there

Sweet heaven done fallin' from the sky
Where's my heaven?
Oh
Mmm, where

Mama don't cry
My soul
Mama don't
Don't cry
My soul don't dream

My soul don't dream
Heaven, heaven
Fallin' from the sky
Heaven

Heaven

Heaven

Are falling from the sky.
