Let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
Let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
I yearn for one,
Emotionally satisfying Kiss
Garden of even, spiritual bliss
Forgiveness
Offerings of sunflowers
Marvin Gaye
Black butterflies
With death, you realize
Hatred is futile
Sin, a figment of our imagination
And compassion is often
Greater than god

So come here
And let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
Let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
For some making Love only pacifies
The urge to die
Submerge between warm thighs
Infiltrate
?
In a nocturnal sunshine
While man simply dreams
I open up myself to live the dream
And gives you Love far beyond earthly means

Let me Kiss your mind
Come here
Bathe your soul
In a nocturnal sunshine
Yeah, just one Kiss

Let me Kiss your mind
And bathe your soul
In a nocturnal sunshine
One, two

Let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
Let me Kiss your mind
Yeah
Bathe your soul
In a nocturnal sunshine

Let me Kiss your mind
Bathe your soul
In a nocturnal sunshine
Let me Kiss your mind
Yeah
Bathe your soul
In a nocturnal sunshine

I've got that feeling
Yeah
I've got that feeling
Feeling
Yeah, mmm
I've got that, feeling
Feeling
A funky feeling

?
?

Feelin'
Feelin'
Feelin'
Feelin'
Feelin'
Feelin'
Feelin'
Feelin'
Feelin'

Beautiful

Feelin'

Come here, and let me Kiss your mind

Come here
And let me, Kiss your mind.
