Huh
C'mon
Yeah
C'mon
C'mon
Yeah
C'mon

Ya like to have money in your pocketbook
That's alright
Ya gotta lotta sense
Runnin' through your bones
And that's alright

Your mama got to be fine
Your probably breastfed
'Cause you look all healthy
Ooh
With your tinted pretty eyes
Put on
?
With the swerve in your hip
Order
Can I get a drink?
Yeah
Yes you can
Pull the bar from your purse
Tip
Start singin' my shit
With the chorus
First

Ya like to have money in your pocketbook
That's alright
Ya gotta lotta sense
Runnin' through your bones
And that's alright

You like to be in the know
With all the major figures

And
That's alright
You like to hang out and shake that thing
Mmm
And that's alright

Girl gotcha own thing
You know everybody
High class
Mediocre
The riff raff
Love is the root politic
Read between the paragraph
You know what you make after taxes
You like get free
You've been to cuba
And you don't watch tv
You only get greedy
For the power of the p
And me
Yeah

Ya like to have money in your pocketbook
That's alright
Ya gotta lotta sense
Runnin' through your bones
And that's alright

You like to be in the know
With all the major figures
And
That's alright
You like to hang out and shake that thing
All night
And that's alright

Yeah, ooh
How that feel?
How'd that feel baby
Whatcha feel?
What ya feel baby
I got feel
?

Looka here
Huh
Ya like to have money in your pocketbook
That's alright
Ya gotta lotta sense
Runnin' through your bones
And that's alright

Ooh, hey
Looka here
What you got?
C'mon
Looka here
I like the way you switch
When you walk by
Everything
You know that you wanna try
Don't be ashamed
'Cause I can make it feel
Real
Good

Get it

So grab your ass
I mean my purse
Hit me with that chorus first
Check it

Ya like to have money in your pocketbook
That's alright
That's alright
Ya gotta lotta sense
A lotta sense c'mon
Runnin' through your bones
Yeah
And that's alright

You like to be in the know
With all the major figures
And
That's alright
You like to hang out and shake that thing
Mmm
And that's alright

Ya like to have money in your pocketbook
That's alright
Ya gotta lotta sense
Runnin' through your bones
And that's alright

You like to be in the know
With all the major figures
And
That's alright
You like to hang out and shake that thing
All night

And that's alright

Yeah

C'mon, c'mon

Yeah

I said

That's alright

Yeah

C'mon, c'mon

Yeah

I said that's alright

Now

Shit

Ooh

We in the pocket

Yeah

Do my thing

Ya like to have money in your pocketbook

That's alright

Ya gotta lotta sense

Runnin' through your bones

And that's alright

You like to be in the know

With all the major figures

And

That's alright

You like to hang out and shake that thing

All night

And that's alright
