You're the best lover i've ever had
And yes i miss you
You're the best lover i've ever had
And yes i miss you
So Kiss me, tenderly
Love me, my sweet baby
You're the best lover i've ever had
And yes i miss you
I fantasize
I can feel you in my dreams
I close my eyes
Hopin' that you'll come see me
This is for you, only for you
So Kiss me, tenderly
Love me, my sweet baby

You're the best lover i've ever had
And yes i miss you
You're the best lover i've ever had
You are
And yes i miss you
So Kiss me, tenderly
Love me, my sweet baby
You're the best lover i've ever had
I call
'cause i can't sleep
'cause every night my body aches
Can you come inside me?
Let me show you what i need to feel

I say over over
And over over
Let me show you what i need to feel
I say over over
And over over
'cause can't nobody Love me like you

Can you come inside me, baby?

Kiss me!

You're the best lover i've ever had
And yes i miss you
You're the best lover i've ever had
And yes i want you
So Kiss me, tenderly
Love me, my sweet baby
You're the best lover i've ever had
I miss you

When we make Love
Sweet, sweet Love
When we make Love
Sweet, sweet Love

You're the best lover i've ever had
And i will always Love you, yes i will
You're the best lover i've ever had
You're the best lover i've ever had.
