Don't know what to do anymore
I've lost the only love worth fighting for
I'll drown in my tear storming sea
That would show you
That would make you hurt like me

All the same,
I don't want mud-slinging games
It's just a shame
to let you walk away

Is there a chance,
A fragment of light
At the end of the tunnel,
A reason to fight
Is there a chance
You may change your mind
Or are we ashes and wine?

Don't know if our fate's already sealed
This day's a spinning circus on a wheel
I'm ill with the thought of your kiss
Coffee-laced, intoxicating on her lips

Shut it out, I've got no claim on you now
I'm not allowed to wear your freedom down

Is there a chance,
A fragment of light
At the end of the tunnel,
A reason to fight
Is there a chance
You may change your mind
Or are we ashes and wine?

I'll tear myself away
If that what you need
There is nothing left to say

But is there a chance,
A fragment of light

At the end of the tunnel,
A reason to fight
Is there a chance
You may change your mind
Or are we ashes and wine?
Reduced to ashes and wine
Or are we ashes,
