Come on, come out  
The weather is warm  
Come on, come out  
Said come on, come on

A spot in the shade  
Where oranges fall  
A spot in the shade  
Away from it all

Watching the sky  
You're watching a painting  
Coming to life  
Shifting and shaping  
Staying inside  
It all goes, all goes by

A blanket unfolds  
A blanket to lie  
The pieces of gold  
They light up your eyes  
And now we're alone  
And now we're alive

Watching the sky  
You're watching a painting  
Coming to life  
Shifting and shaping  
Staying inside  
It all goes, all goes, all goes, all goes by

Stopping the time  
The rush and the waiting  
Leave it behind  
Shifting and shaping  
Keep it inside  
It all goes, all goes, all goes, all goes by

It all goes, passing by  
It all goes, passing by

Watching the sky  
You're watching a painting  
Coming to life  
Shifting and shaping  
Staying inside  
It all goes, all goes, all goes, all goes by

Stopping the time  
The rush and te waiting  
Leave it behind  
Shifting and shaping  
Keep it inside  
It all goes, all goes by

Come on, come out  
Come on, come out
