Liar, liar  
You're such a great big liar  
With the tallest tales that I have ever heard  
Fire, fire  
You set my soul on fire  
Laughing in the corner as it burns  
Right between the ribs it's sinking in

Oh oh, the sirens sing so sweet and watched the sailors  
going down  
Oh oh, you talk to me in siren song  
Yeah, anyone would drown  
Anyone would drown

Sick and tired of this mad desire  
Fluttering inside me like a hawk  
Wire, wire  
Got my hands on wires  
Heaven help you when I get them off

Right between the ribs  
You'll feel it then

Oh oh, the sirens sang so sweet and watched the  
sailors going down  
Oh oh, you talk to me in siren song  
Yeah, anyone would drown  
Anyone would drown

All the ships go down  
Following the sound  
All the ships go down

Oh oh, the sirens sang so sweet and watched the  
sailors going down  
Oh oh, you talk to me in siren song  
Yeah, anyone would drown  
Anyone would drown
