Echo na wetin I go do

I was weak when you said you had to go  
tear drops crying like a mighty flow  
but you turned around and said that you loved me so  
how could I let you go  
oh no no no no no no no  
sorry I make you cry  
let's talk about those days and how we used to play  
I rewrite my words  
girl you know sey na your love I dey always they think  
of

say my love for u na real  
baby it's true  
echo-come on come on  
baby it's right hope  
echo-come on come on

please don't go  
oh I love you so  
bended knees see there's more to show  
don't need to be afraid  
I won't let you down  
cos since you've been here my life's been turned  
around baby
