I could spend my life just loving you
If you could learn to fall in love with me
Though you don't know how much it hurts just loving
you.

I'm not the laughing child I used to be.

*Some starry night I pray that you will come to me
And make all my wildest dreams come true.
So, 'til then I'll go on scheming
Though I know I'm only dreaming.
I can't help myself just loving you.

(Instrumental interlude and pick up at *.)

Some starry night, I pray that you will come to me
And make all my wildest dreams come true.
So, 'til then I'll go on scheming
Though I know I'm only dreaming.
I can't help myself just loving you.
