How you say my love in Spanish? Mi amor
How you say my love in thug, can I hit it raw?
In the backseat of my jeep, or maybe on the floor
Easy papi, nah mami, teach me more

TrÃ¡fÃ¡teme especial means treat me special
I ain't got no time for that now, dame un beso
Wanna keep a good girl like I told you before
Easy papi, yeah, teach me more

I like fast cars, I love faster chicks
You don't need a small waist, I take ass and tits
Love chicks that deep throat, love bein' left alone
On a Sunday afternoon with the remote

Love havin' my cake plus eatin' it too
Shit, I got cake, what the fuck I'm 'posed to do
Like chicks to dress, but I love a good shoe
Sophisticated mama with love for the hood too

Love sexin' girls on that boricua shit
Love black girls that's when the Levi's fit
Chicks that play hard to get on that Aaliyah shit
If at first I don't succeed, then believe I split

Can you blame me? Young buck, dirty-ass pops trained
me
Moms allowed it, daddy was about it
('Bout it)
Game got inherited, mama said if you find love, you
better cherish it
Teach me!

How you say my love in Spanish? Mi amor
How you say my love in thug, can I hit it raw?
In the backseat of my jeep, or maybe on the floor
Easy papi, nah mami, teach me more

I like to slow dance, I like to romance
I like to stroll through the park holdin' hands
Ask me how my day was, tell me, "Ma lookin' pretty"
On Sundays in the cut watchin' 'Sex and the City'

Havin' long talks and good lovin' in the mornin'
Walk them dogs when my body is callin'
Flesh air force cuts a wound with a line
No stress, of course, 'cause I don't have the time

Like to wine and dine but please hold your liquor
'Cause I'm rollin' with ya and I hate a silly nigga
Like 'em rough and rugged, love it when you tug it
You buggin' out of line on that thug shit is nothin'

Dealt with cats before that I had to train
Dealt with cats that's poor and a cat with fame
One who played basketball and I had more game
So por favor, papi stay in your lane

How you say my love in Spanish? Mi amor
How you say my love in thug, can I hit it raw?
In the backseat of my jeep, or maybe on the floor
Easy papi, nah mami, teach me more
