Whoo

Even though you got no money  
Other chicks be actin funny  
It don't matter boy 'cause I got love for you  
A nice guy that like to fuck alot  
I'm so tired of all these playaz  
And I don't mean to be a hater  
But I know just what I'm lookin for  
A nice guy that like to fuck alot

This is for my on the low niggas  
Average joe niggas  
You know, I'm talkin plain ol' niggas  
Big up, big up all the regular dudes  
Appreciate 'em after dealin wit a playa or two  
What I'm sayin to you, is all the ice is nice  
But a girl get tired of payin the price  
See it aint what we eat, it's how we do  
I like Mr. Chal, but we can do BBQ  
Fuckin wit you, you gon get to my heart  
We can chill, crack jokes, smoke a L in the park  
And when it come to lovin, you go hard  
Yeah, now that's really what a girl want  
And uh, nobody can do me  
Like you, so you the one that I'm givin it to  
For rich or tore up, I'm in it wit you  
For you fake smooth niggas, I'm finished wit you  
Beat it

Even though you got no money  
Other chicks be actin funny  
It don't matter boy 'cause I got love for you  
A nice guy that like to fuck alot  
I'm so tired of all these playaz  
And I don't mean to be a hater  
But I know just what I'm lookin for  
A nice guy that like to fuck alot

Yo, yo, uh  
I shine, you shine  
Gotta alotta big things playa that's nice

I don't wanna knock your hustle but I know your kind  
And I don't trust ya so I'm lookin for mine  
Not tryin to sell me the gathos, not poppin bottles  
Not tryin to stick it to models  
You know misled bitches, after your riches  
Try to throw me in the mix don't even notice a  
difference  
I don't like Coogie sweaters anyway  
I like a nigga in a hoodie better anyday  
I'm not a chicken, I'm not to be tricked on  
Matter fact you the rea-son  
That I, don't wanna get with playaz no more  
I wanna low key nigga fo' sho  
You don't really gotta be my boyfriend  
I'm sayin though

Even though you got no money  
Other chicks be actin funny  
It don't matter boy 'cause I got love for you  
A nice guy that like to fuck alot  
I'm so tired of all these playaz  
And I don't mean to be a hater  
But I know just what I'm lookin for  
A nice guy that like to fuck alot

But the thing is, the thing is I got a job  
You gotta be out?  
No I gotta job  
Oh you gotta job?  
Right so I have things  
What your job gotta do wit a nigga like me, you won't  
have to work no more girl  
But I like to work, I like  
I'm sayin I know you like to work, you can work on me,
