Verse 1]

Finally you saw me
Found out I was seeing someone new
Knew you wouldnt ask me
Cuz you brought this to yourself

[Chorus]

Think its time to go
Since you played me thought that you should know
(thought that you should know)
All your lies wont take it anymore
Packed your shit and left it at the door
Oh baby think its time to go

[Verse 2]

I think about how you treated me
Feeding me your lies you couldnt see
Thought that I would stay true
Instead I left with someone else

[Chorus]

Think its time to go
Since you played me thought that you should know
All your lies Wont take it anymore (I wont take your lies
no more no more no more)
Packed your shit and left it at the door (I left them at
the front door)
Oh baby think its time to go

[Bridge]

Dont go pointing fingers at me
Cuz I always knew you'd cheat
So I had to make you see
Was it all worth losing me
And its better off this way
And thats all that I can say
Thought that you could play that game
And this has put your life in shame

[Verse 3 - Angie Martinez]

Ohh you aint wanna know but I'm gunna say it
You knew from the door I was nothin to play with

You had my love and you betrayed it so I take it back
Far as anotha brotha karma's a mothafucka
Was I wit him yea you was neva even there
Talkin bout I hurt ya how bout I dont even care
Plans we had they through man they dead to me
I got new man he treat me like a Kennedy
Yea hes somethin as a team we heavy
We at customs sluggish lookin like a ???
Talkin bout you missin Ang Im disgusted
Talkin bout how you could kiss my ass man
You violated all my general laws
And I cant take it gotta get a divorce
He did the right thing while you was gettin a broads
And his pipe game is betta than yours

Ready or not you can go cuz you cant hide
All the lies you told me baby
Ready or not here I go I cant hide
All the ways you hurt me baby

Think its time to go
Since you played me thought that you should know
All your lies Wont take it anymore
Packed your shit and left it at the door
Oh baby think its time to go
