Take me I'm alive
Never was a girl with a wicked mind
But everything looks better when sun goes down

(Bridge + chorus)
I had everything
Opportunities for eternity
And I could belong to the night
Your eyes, your eyes
I can see in your eyes
Your eyes

You make me wanna die
I'll never be good enough
You make me wanna die
And everything you love, Will burn up in the light
And every time I look inside your eyes
You make me wanna die

Taste me, drink my soul
Show me all the things that I shouldn't know
And there's a new moon on the rise

I had everything
Opportunities for eternity

And I could belong to the night
Your eyes, Your eyes
I can see in your eyes
Your eyes, Everything in your eyes, Your eyes
You make me wanna die

I'll never be good enough
You make me wanna die
And everything you love will burn up in the light
Every time I look inside your eyes (Burning in the light)
Make me wanna die

I'll die for you, my love, my love
I'll lie for you, my love, my love (make me wanna die)
I'll steal for you, my love, my love (make me wanna die)

I'll die for you, my love, my love
Well burn up in the light

Every time I look inside your eyes
(I'm burning in the light)
Every time I look inside your eyes
(I'm burning in the light)
Look inside your eyes
You make me wanna die
