"Gimme Your Love"

Visit "[Gimme Your Love](#)" on MotoLyrics.com

(Give me your love, love, love, love)

Give me your love, baby give me romance
Give me your love, baby one last dance
Tonight, my love

I want you baby
(Give me your love)
In my dreams and always be forever - ever
I want you baby
In my dreams you always drive me crazy - crazy
I want you baby

(Give me your love)

(Give me your love, love, love, love)

In my dreams you always drive me crazy - crazy
I want you baby

I need you more than I'd ever have guessed
I want your love, ooh-oh I want your love
I want you baby

I need you more than I'd ever have guessed
I want your love, ooh-oh I want your love
I want you baby

(Give me your love, love, love, love)
