Way down upon the swanny river far far away  
She lays down, she plays around  
She likes to play, she likes to play

Way way way down upon the swanny river far away  
She would rather, she turns her sad into a lover  
Far far away

Yes I told her, Do not showed her  
Butterflies and brainless ones  
Yes I told her, Do not showed her  
Like animals need room to run

Far far away  
She lays down, she plays around  
She likes to play, she likes to play

Way way way down upon the swanny river far away  
She would rather, she turns her sad into a lover  
Far far away

Yes I told her, Do not showed her  
Butterflies and brainless ones  
Yes I told her, Do not showed her  
Like animals need room to run

Far far away  
She lays down, she plays around  
She likes to play, she likes to play

Way way way down upon the swanny river far away  
She lays down, she plays around  
She likes to play, she likes to play

Yes I told her, Do not showed her  
Butterflies and brainless ones  
Yes I told her, Do not showed her  
Like animals need room to run
