The letter says, The letter says  
The letter says what the letter says  
'Cause I've been there, And I dont care  
The letter says what the letter says, baby

You damned ol' screwed up holler, Dont tell my you're  
my baby  
Screaming down in the parking lot  
You damned ol' screwed up baby, You know you drove  
me crazy  
Screaming down in the parking lot

Are you ready for the burn, You crazy old bitch  
You like to make me squirm, You broken down old  
wrench

The letter says, The letter says  
The letter says what the letter says  
'Cause I've been there, And I dont care  
The letter says what the letter says

She drove me crazy, She drove me crazy  
She drove me crazy, She drove me crazy

You damned ol' screwed up holler, Dont tell my you're  
my baby  
Screaming down in the parking lot  
World outside is dreaming, Dreaming of the better day  
Outside my window sunlight screaming, Bring on the  
day

Are you ready for the burn, You crazy old bitch  
Tried to make me squirm, Broken down old wrench

Are you ready for the burn, You crazy old bitch  
You tried to make me squirm, You broken down old  
wrench

The letter says, The letter says  
The letter says what the letter says  
'Cause I've been there, And I dont care

The letter says what the letter says  
'Cause I beat down that way

She drove me crazy, She drove me crazy  
She drove me crazy, She drove me crazy

You damned ol' screwed up holler, Dont tell my you're  
my baby  
Screaming down in the parking lot  
World outside is dreaming, Dreaming of the better day  
Outside my window sunlight screaming, Bring on the  
day

Are you ready for the burn, You crazy old witch  
You tried to make me squirm, You broken down old  
wrench
