"Sun Is Shining"

Every morning I get up
Look out my window, I get up
See the sunshine beating down
Every morning comes around, oh

Every morning I get up
Look out the window, I get up
See the sunshine beating down
Every morning comes around, ay, yay

Waves are breaking, I'm in the water
The sun is shining down, the air is buzzing
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Through the curtains I look out
On the sun is melting the ground
Walking through our town
Oh, every morning, every morning
Through the curtains I look out
On the sun is melting the ground

Waves are breaking, I'm in the water
The sun is shining down, the air is buzzing
The sun is shining down, the age is guzzing
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

In the city, for the people
See the buildings crowd together

The sun is shining down
The air is [Incomprehensible]
Come on now, let me know now
Tell me, tell me, tell me now

Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
