I told you this once before you can't control me  
if you try to take me down your gonna pay  
i feel your hatred  
things that your doin for me  
i think that you oughta  
figure out a way

I stand alone  
inside  
I stand alone

your always hideing behind your so called goddess  
so what you dont think that we can see your face  
you reserected back before the final fallen  
ill never rest untill i can make my own way  
im not afraid of fadein

i stand alone  
you let your snake down inside me  
im not dyin for it  
i stand alone  
everything that i believe  
is fadein  
i stand alone  
inside  
i stand alone

now is my time

its my time to breath

dream of the sky

make me believe that this place is intake by the poison  
in me

help me decide if my fire will burn out before you can  
breath

breath into pain

i stand alone  
inside  
i stand alone  
you let your snake down inside me  
im not dyin for it  
i stand alone  
everything that i belive  
is fadein  
i stand alone  
inside  
i stand alone  
inside  
i stand alone  
inside  
i stand alone  
inside
