I Can't Face The Fact

performed by: Gina Go-Go

written by: Gina Go-Go

You said

That you'd be there for me

Whenever I was lonely

But somehow

You've forgotten what you told me

How long

Is it gonna take you

Baby I can't make you

Or was I listening to a made up story

My body's burning

And I am yearning

To see you once more

I was mistaken

And now my heart is breaking

Cuz you no longer

Wanna see me anymore

Chorus:

I can't face the fact

That you're not coming back

I can't face the fact

I can't face the fact

That your love was an act

I can't face the fact

My life

Is so frustrating

Cuz I'm doing all the waiting

But your love

Is so very captivating

In time

You've got to free me

So come and see me

I've got to hear you say

You wanna leave me

My body's burning

And I am yearning

To see you once more

I was mistaken

And now my heart is breaking

Cuz you no longer

Wanna see me anymore

I've been waiting

So long for you

Just to touch and

Kiss and hold you
