And then forget about it  
Better if it rings out  
I'm acting through it all  
Making up excuses  
Running from your eyes  
Drowning in your side  
Flooded in our blood  
Underneath your water  
Bound and gagged, I fight  
Gotta get undone  
Cause I don't want to break  
I don't want to fake  
I don't want to break  
I don't want to fake  
I just want to get out  
It's closing in somehow  
Pressed up against me now  
Get under my skin, take  
A knife and cut it out  
I just want to get it out  
The walls have closed somehow

Making up excuses

Running from your eyes

Drowning in your side

Flooded in our blood

Underneath your water

Bound and gagged, I fight

Gotta get undone

Cause I don't want to break

I don't want to fake

I don't want to break

I don't want to fake

I just want to get out

I don't want to break

I don't want to fake

I don't want to break

I just want to get out

Turning blue and no surprise

I'm not breathing when I'm not inspired

Making up excuses

Running from your eyes

Drowning in your side

Flooded in our blood

Underneath your water

Bound and gagged, I fight

Gotta get undone

Cause I don't want to break

I don't want to fake

I just want to get out

I don't want to break

I don't want to fake

I just want to get out

I don't want to break

I don't want to fake

I don't want to break

I just want to get out
