How did I love you?  
there was no measuring  
far above this dirty world  
far above everything  
in your tower over it  
you were clean

so warm & insightful  
were you in my eyes  
I was sure the rightful  
guardian of my life  
damn you betrayer  
how you lied

but for seven years  
you were loved  
I laid golden orchid crowns  
around your feet

for seven years  
I bowed down  
to touch the ground  
so wholly your devotee

you were  
all I could see

I've got my sight now  
I see everything you hid  
so don't you try to right now  
all the wrong you did  
I might forget you  
but not forgive

but for seven years  
you were loved  
I laid golden orchid crowns  
around your feet

for seven years  
I bowed down

to touch the ground  
so wholly your devotee

for seven years  
you were so revered  
I made offerings of  
anything and everything I had

you were  
all I could see
