Lemon squeezy style yeah?

We're talkin pea souper  
We're talkin fog, darkness  
We're comin' round ya house

Animal, vegetable, mineral

Deep like titanic  
Make the dance panic  
That one-a-penny  
Two-a-penny  
Vibe you can't manage

Pure nasty habit  
Sadness I can't have it  
Do ya move  
Bust ya style  
Raver dance rapid  
Gidibiddy hibbidibby gidibiddy beat on the flow that's  
so savage  
Uncle TC and Mr Jakes: that spells damage!  
We run things from here to trinity always damn flashy  
Over breakbeat, eskey, salsa or tough garage  
Hip-hop? He'll leave you stiff dead in a carriage

Two to the head one to the leg without a ratchet  
Wrap ya head around this, nah kid ya can't nab it
