I always dreamed of a man like him, someone that  
Someone I can count when no one else is gonna do that  
And I know that,  
And I know deep down he cares  
And lately I , feeling that you,  
That you packed your whole heart in  
I'm not complaining I'm just saying I want more

It's you that I want, I want, want, I gotta , your love  
I just can't get enough, I want more, I want more, I want  
more  
,ain't enough, , I gotta know, I can trust ya  
I want more, I want more, I want more

First class trips, shopping spree  
Everything I could have ever dreamed  
All those things don't make me happy, only for a while  
But I need more that you can ,  
I just need your whole heart  
Cause you mean much more to me

It's you that I want, I want, want, I gotta , your love  
I just can't get enough, I want more, I want more, I want  
more  
,ain't enough, , I gotta know, I can trust ya  
I want more, I want more, I want more

See I'm trying to make it, real fast  
I'm here for you and nothing else, baby  
I just want your love not the stuff that you're giving  
To make up, what you're missing,  
, I just want your love

It's you that I want, I want, want, I gotta , your love  
I just can't get enough, I want more, I want more, I want  
more  
,ain't enough, , I gotta know, I can trust ya  
I want more, I want more, I want more  
It's you that I want, I want, want, I gotta , your love  
I just can't get enough, I want more, I want more, I want  
more

,ain't enough, , I gotta know, I can trust ya  
I want more, I want more, I want more.
