It's 4 in the morning so why do you keep calling
Boy do you ever go to sleep?
You worrying about me while I'm still yawning boy
We've been through about a week so
Just move along, cause we've been going on too long
about this
I think it's time to end this
Conversation now,
Hang up, hang up, hang up, hang up
You got me taking aspirin, boy you make my head start
hurting catching
Fever's calling off and word, just because you're there
You're getting on my nerves boy, you're working on my
nerves
You can't handle it, you can't handle it
You wonder why I'm not hurt boy
I took it as a lesson learned
So I'm dandy, I'm so dandy, I'm so dandy, I'm so dandy
I'm fine, boy you ain't even on my mind
Cause I'm dandy, I'm dandy, I'm so dandy
I'm dandy, I'm so dandy, I'm dandy

I moved on get over it, what else do you want me to
say?
If I remember correctly you was the one who needed
the space
Look who's the one begging now, trying to get things
back on track
You know that is , stop calling my phone
Hang up, hang up, hang up, hang up
You got me taking aspirin, boy you make my head start
hurting catching
Fever's calling off and word, just because you're there
You're getting on my nerves boy, you're working on my
nerves
You can't handle it, you can't handle it
You wonder why I'm not hurt boy
I took it as a lesson learned
So I'm dandy, I'm so dandy, I'm so dandy, I'm so dandy
I'm fine, boy you ain't even on my mind
Cause I'm dandy, I'm dandy, I'm so dandy

I'm dandy, I'm so dandy, I'm dandy

You popped up at my house, calling me a ,mess
Boy go find another spouse, you made your choice now
live with it
You're acting kinda crazy, there's nothing you can do
to amaze me
It's over, boy it's over, whoa
Hang up, hang up, hang up, hang up
You got me taking aspirin, boy you make my head start
hurting catching
Fever's calling off and word, just because you're there
You're getting on my nerves boy, you're working on my
nerves
You can't handle it, you can't handle it
You wonder why I'm not hurt boy
I took it as a lesson learned
So I'm dandy, I'm so dandy, I'm so dandy, I'm so dandy
I'm fine, boy you ain't even on my mind
Cause I'm dandy, I'm dandy, I'm so dandy
I'm dandy, I'm so dandy, I'm dandy.
