Chorus:

You can't run away, you can't run away,
It's payback time, It's Judgement Day
You can't run away, you can't run away,
It's pay-back time, It's Judgement Day
You can't run away, you can't run away,
It's payback time, It's Judgement Day
You can't run away, you can't run away,
It's pay-back time, It's Judgement Day

Rap 1:

Wake up in tha morning pray to God you know why - I
believe from the bottom of my heart
that's no lie - Lord forgive me and every human being
I ain't shy - Cheatin' switchin' places
in the line we all will die - Non-believers backstabbin'
everyday - Diggin' deeper daily constantly your own
grave - I refuse loosing confidence in God I pray - I
remind faces on
Judgement Day - Heartbeat increasin' you approach the
whitness stand - Flashbacks on your
mind as you shake and lift your right hand - Twelve
o'clock broad and day light - Fasten
your seat belts makin' sure that they're pull tight
- Judgement Day I can see it in your eyes -
Put your hands in your pocket grab your wallet and
don't lie - Let me tell you one thing
my man time has come - Nowhere to hide and nowhere
to run

Chorus x 1

Rap 2:

With the bible in my hand I preach and teach from land
to land - How many times must I
say it 'til you understand - Someday we all gotta pay
- Butt naked we came butt naked we go

away - Let me know the reason why you are killing for
- Stop looking at the man livin' right
to your next door - Grab a hand and help as much as

you can - Ain't necessary for nobody
to eat out of a garbage can - If you know what I'm
sayin' - Straight from the messengers's
mouth with no delayin' - You had the time to change
your mind - You go for yours and let me go for mine
- Judgement Day I can see it in your eyes - Put your
hands in your pocket
grab your wallet and don't lie - Let me tell you one
thing my man time has come -Nowhere to hide and
nowhere to run

Chorus x 1

Toni's rap:

Payback day is comin' closer comin' to y' all - God's
strike is hittin' straight to y' all -What you did
what you did what you did in your life - All the things
you did to survive -All you people gonna die like Evil
Kneivel - Gonna suffercate of the bad words that you
speakin' - Envy, jealousy and crimes rule the planet
- No love, no peace, no sorrow, forget it!

Rap 3:

You runnin' out of money how funny Pappa Bear style
- Throw on the grill don't cry dry
your eye - As we roll with the funky bass coming back
to Rookie style, ha, Booya -Halleluja our direction
is heaven - Toni has a big gold chain around his neck
it's a seven -
That's the reason why we don't play shy we apologize
say bye bye - You reep what you
saw if you don't know - And if you don't know then
act like you know - Take it easy I'm
just trippin' on your mind - You can't see what I see
my man 'cause you're blind -Judgement Day I can see
it in your eyes - Put your hands in your pocket grab your
wallet
and don't lie - Let me tell you one thing my man time
has come -Nowhere to hide and nowhere to run

Chorus x 3
