Come on

Yeesh

You see I had enough

Baby I'm so fit up with you

You don't broke my heart once or many times

Your kissis give to me so many lifes now

You said you'll be there for me

You said I was all you need

..

Singing at guitar, spinning on the club now

...

Talking 'bout you feel alone now, alone now

I'm waiting you tonight yeesh

If you think you're lonely, think that you're lonely

Wait for you tonigh

If you think you're lonely, think that you're lonely

I'm gonna show you right

You gonna miss the ah, ah, ah

Love of a women

You won't miss the ah, ah, ah

Love of a women

You gonna miss my love

You gonna miss my touch

But you gonna spending nights all alone now

I bet you baby You'll feel so alone, now

Sometimes you feel like that

Cause you don't know how to act Yeesh

But you gonna stop shine and being from now

People see just how much it's hurts, now

Learned you lessons wile the school up

Baby, talking 'bout you feel alone now

You won't miss the ah, ah, ah

Love of a women

So don't be coming to my .. with no flowers

Try to take me on the phone for hours

...

Sometimes a women got to do what she got do yeesh

So when a women say she through you, she through
you

So tell me hwo's gonna loving you

If you think you're lonely, think that you're lonely
Wait for you tonigh
If you think you're lonely, think that you're lonely
I'm gonna show you right
You gonna miss the ah, ah, ah
Love of a women
You won't miss the ah, ah, ah
Love of a women
If you think you're lonely, think that you're lonely
Wait for you tonigh
If you think you're lonely, think that you're lonely
I'm gonna show you right
You gonna miss the ah, ah, ah
Love of a women
You won't miss the ah
Love of a women
It's my turn
