I am ready for love, why are you hiding from me?
I quickly give my freedom to be held in your captivity!
I am ready for love, all the joy and the pain,
And all the time that it takes, just to stay in your good
grace
Lately I've been thinking maybe you're not ready for
me to
Maybe you think I need to learn, but you...
They say watch what you ask for, cause you might
receive,
But if you ask me tomorrow I'll say the same thing!
I am ready for love, would you please send me your
real!
I'll promise I won't play; I just need you to acknowledge
I am here
If you give me half a chance I will prove this to you
I will patient, kind, faithful and true to a girl who loves
music,
A girl who loves art, respects the spirit world, and
speaks from the heart!
My heart! I'm ready for love if you take me in your
hands
I will love what you teach, baby and all the past that I
can
I am ready for love, here ...
Oh, my voice, my past, my soul, my mind
Tell me what is in love, to prove I am ready for love!
