(Intro)
I feel like the boy at the bar who's been there too long
Can't stand up!
I should be gone but I just can't get enough, yeah!

(Verse)
Fumbling, stumbling, silly as ever I get like this after
one too many
But right now I ain't even been drinkin'
She approached me and asked for a minute
Which turned into five, which turned into ten
And right now I don't know how to say when

(Chorus)
So can I get a refill?
Can I get a refill?
Can I get a refill?
Yeah, of your time
Cause you're intoxicating my mind
Feel like a conversational lush
Cause I don't know how much is too much, yeah
I feel like the boy at the bar who's been there too long
Can't stand up!

(Verse)
Wishin' and hopin' that I don't blow it I'm nervous as
hell
I don't wanna show it
And right now I don't even know what I'm saying
I've never had game, no never
I don't wanna sound like a broken record
But until you say goodnight
All I know is that I'm staying!

(Chorus)
So can I get a refill?
Can I get a refill?
Can I get a refill?
Yeah, of your time
Cause you're intoxicating my mind
Feel like a conversational lush

Cause I don't know how much is too much, yeah
I feel like the boy at the bar who's been there too long
Can't stand up!

(Bridge)
I need a shot of
You on the rocks
Cause I'm down to my very last shot
So, how bout that refill?

(Outro)
So can I get a refill?
Can I get a refill?
Can I get a refill?
Baby, can I get a refill?
Yeah!
Cause I feel like the boy at the bar who's been there too long
Can't stand up!
I should be gone, but I just can't get enough
So can I get a refill?
Can I get a refill?
(I feel like the boy at the bar who's been there too long
Can't stand up!
I should be gone, but I just can't get enough)
Can I get a refill?
Can I get a refill?
