All I wanna say, girl I wanna say
Saying I'm sorry

August 4th, we were chilling at the house
Said i'm done, I told you to get out
Didn't mean a word that I said
Cause I was hoping you would come back
Cause I tried and tried
And I cried and cried
Up late at night and I hurt
And I tried to fight and I cried to god
Oh please let it just work
And I'm going crazy with you
You got me so confused
Cause you walked away, and I walked away
And I should've stayed baby

[Chorus]

All you have to do is say that I'm sorry
Baby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby I'll do what it takes
And I will be here all the way baby
All you have to do is say that I'm sorry
Baby I'm sorry

You wanna know if I was moving on without you
I miss you, miss you, miss you, I miss you
To tell the truth I've thinking bout you lately
I miss you, miss you, miss you, I miss you
See, Christmas day, you said you had a ring
But you changed your mind
Too caught up in the streets
Boy your truth is hard to believe
Why are you really scared of me
Cause I tried and tried
And I cried and cried
Up late at night and I hurt
And I tried to fight and I cried to god
Oh please let it just work

And I'm going crazy with you
You got me so confused
Cause you walked away, and I walked away
And we should've stayed baby

You wanna know if I was moving on without you
I miss you, miss you, miss you, I miss you
To tell the truth i've thinking bout you lately
I miss you, miss you, miss you, I miss you
I miss the way you hold me
The way you touch me
I miss the way you kiss me yeah
All I wanna do, do, do, do, do
All I wanna do
Is say that I'm sorry, sorry, sorry,
So sorry baby

[Chorus]

All you have to do is say that I'm sorry
Baby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby I'll do what it takes
And I will be here all the way baby
All you have to do is say that I'm sorry
Baby I'm sorry

You know I think about you sometimes
I wonder how you are, are you happy
You see I know, what we had was special
And I know you know it too
I miss you, I really miss you.
