Never gave you a reason to believe  
That I was unfaithful and never treated you wrong  
I'm of tired proving myself constantly  
Cause some other lame decided to break your heart  
Everyday I'm praying that we will get it right, get it right  
girl  
Cause I'm tired of going up and down with you  
You taking advantage of love, cause this doesn't  
suppose to feel like this

I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more

Sometimes still living out in your past  
If you don't change I'm done with us  
I wish I could take it back,  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more

Checking the messages when I'm in the shower, girl  
ain't nothing going on  
Just me ain't no one better, but if you keep this up  
We gonna make it through  
Everyday I'm praying that we will get it right,  
Cause I'm tired of going up and down with you  
You taking advantage of love, cause this doesn't  
suppose to feel like this

I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
Sometimes still living out in your past  
If you don't change I'm done with us  
I wish I could take it back,  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
Don't take it out on me, I'm nothing like this  
Don't make the mistake of losing everything we have,

oh  
I'm here to stay, yeah, but you gotta let down your  
guard  
Cause I'm running out of love, I wish I could take it  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more  
Sometimes still living out in your past  
I wish I could take it back  
I'm gonna take it back, I'll take it back,  
take it back so you wouldn't feel hurt no more.
