oh don't slip, don't fall  
i'll never hurt you like that  
i don't wanna see no tear drops on the floor again  
oh so many broken pieces of your heart to mend  
so many times he lied and left you with no reason  
now every moment leaves you thinking of the end  
lost in the circle spinning, nothing to believe in

if you're in danger i'll save you  
lost, i'll come find you  
i'm not gonna leave you  
i'll never walk away no  
if you're falling i'll catch you  
put my arms out to hold you  
(?) to shield you  
i'll never walk away no  
i'll never walk away no  
(i'll never walk away no)

don't sleep, open your eyes  
and know that i'm standing here  
you've been crying too long  
my arms are home  
(?)  
oh so many broken pieces of your heart to mend  
so many times he lied and left you with no reason  
now every moment leaves you thinking of the end  
lost in the circle spinning, nothing to believe in

if you're in danger i'll save you  
lost, i'll come find you  
i'm not gonna leave you  
i'll never walk away no  
if you're falling i'll catch you  
put my arms out to hold you  
(?) to shield you  
i'll never walk away no  
i'll never walk away no  
i'll never walk away no  
(lost, i'll come find you)  
(i'll never walk away no)

(my arms out to hold you)  
(i'll never walk away no)

anywhere you go i'll be waiting for you  
and every step you can't take  
i'll be there to carry you

if you're in danger i'll save you  
lost, i'll come find you  
i'm not gonna leave you  
i'll never walk away no  
if you're falling i'll catch you  
put my arms out to hold you  
(?) to shield you  
i'll never walk away no  
i'll never walk away no

if you're in danger i'll save you  
lost, i'll come find you  
i'm not gonna leave you  
i'll never walk away no  
if you're falling i'll catch you  
put my arms out to hold you  
(?) to shield you  
i'll never walk away no
