Do you know, all the pain
All the time, all my money
All my love that i gave from my heart and you acting
funny
Cant say how i feel
Cause you cant even keep it real
So scared of yourself
You know, theres no coming back
Thats the consiquence with love
When your best just aint enough
Now you wanna give when i gave up
But now its just too late
I dont want us in love
You had my heart
And you didnt care
I kept saying (saying)
I keep saying (saying)
Youll miss me when im gone
And now i just cant take no more
Mean your ass cant give the minimum of what i give
Thats the problem, the end i just could not pretend no
longer
Its over
You know, theres no coming back
Thats the consiquence with love
When your best just aint enough
Now you wanna give when i gave up
But now its just too late
I dont want us in love
You had my heart
And you didnt care
I kept saying (saying)
I keep saying (saying)
Youll miss me when im gone
Yeah thats the consiquence with love
When your best just aint enough
Now you wanna give when i gave up
But now its just too late
I dont want us in love
You had my heart
And you didnt care
I kept saying (saying)

I keep saying (saying)
Youll miss me when im gone
