Chorus: Grimm

boy ya never shoulda fucked with uuss

we da hillwood hustlaaaaz

n*****s known for bustin sluugs

makin money sellin sluts & drugs

Verse 1: SPM

I'ma a mothafuckin hillwood cowboy 5 40 ass raised

mr. c. coy

a.k.a El Coyote creepin slow throught the monte

peace to my n*****s in the grave and the bote

ponte quidow bow wow wow. soy el mujado de sulda

hustletown

blue & white porche 60,000 dolla horse at my ranch

where my

butt naked maids do my chores

I slap all the demons get weighed on triple beamas,

i got a dirty harry plus a pair of perdy ninas

raised on the south side of houston, fuck with the click

and shit'll get gruesome, quick execution day of

revolution.

moms wanna send me to another institution. life is so

precious

why would you test this? Mex outta Tex with 7 s-k-s's

partna

Chorus:Grimm(x2)

Verse 2: Rasheed

They call me rasheed i smoke the bomb weed

i came up off my feet cuz i make my block bleed it

must be on G

all greed cause my boys rob ki's Im'a cha chi ever rub

her clock these

i never buy g's leave em bloody by deeezzz

put them in the back of a stolen marquis call the cops

please

cause this mothafuckin smell the ringin in my ears

sounds like bell bells

well this is farewell i park parallel walk to teh park and

smoke on the

carosel. we play hide and seek and then freeze tag.

but the tag on ya toe in a police bag blow green grass
but i still think fast fuck a bitch. 4-5 don't lie dont jive
takin hoes lives run up in my face and take a nose dive
cuz...

Chorus: Grimm (x2)

Verse 3: SPM

26 pistols 17 missles take em all to school and give
them early dismissal
no referees or whistles just be the craziest, im in the
studio like
julio iglesias i break truce, blast and chunk deuce
make a few calls tell em "let the dogs loose" 44 troops
camaflauge
and black boots the games will begin when the first
man shoots
seperate in groups go as low as you can stoop
put a hole in they ass like a fuckin fruit loop, shoot to
kill
make en puke and squeal cath em while they sleepin in
they
coupe deville. my crew is real and after yall do this
deal
ima take yall n****s on vacation to brazil, lucious steal
at the ship channel bridge and remember the rule
no woman no kids

Chorus:Grimm (x2)
