feat. Baby Beesh, Rasheed

[SPM]

Fresh off the cut, mama who? mama what?

Take a 40-ounce hard to the gut

On the run so call me the perro

In the club with a sharp ass filero

Ya'll gettin large, Dopehouse is larger

I'm in the hotel tryin to find my charger

Its another hot summer, she gave me the peck

And then let me tongue her

Love it maan, I'm with my dame

Young and dumb with real good brains

In the club eatin steak and ostrich

Smoke weed and get more hungry than a hostage

I've been hard since the very first demo

We came up with no problemo

Darn, yeah I'm from a farm

With 700 elbows in the barn!

Do you party with those drug smugglers?

Hubba, Hubba, Hubba

Is your enemy a dick sucker?

Hubba, Hubba, Hubba

I dont think they want no damn trouble

Hubba, Hubba, Hubba

Do you love your homies like a brother?

Hubba, Hubba, Hubba

[Baby Beesh]

Man these fools dont wanna see me

Smoked out like an indian chiefy

With Pocahantas and her cousin in my teepee

Talkin bout how they love some Baby Beeshi

While I'm suckin on a sweet like a chi-chi

So high, everything lookin 3D

Threesome, got your boy Little Freaky

Orgys to the weewee, the sleepy

But I'm just sayin though, Wiggy, Wiggy

Outsmart the piggy

Them Dopehouse boys bout them bones like Bizzy

I'm a grizzly, so call me the Oso

Pushin that candy, vanilla and a cocoas  
Ojos, green like your mocos  
Plum dumb stupid and plum dumb baboso  
If you dont wanna give me no love  
Check it out maan I dont give a HUH!

[SPM]
