Song : Twice Last Night

We did it twice last night  
And once in the morning (2x)

(SPM)

I pulled out my jimmy from a cracker jack box  
The bullet proof vest blocking all my cum shots  
I got one in London and her name is regina  
Then I got sofia she's from argentina  
Love em and leave em hell naw that aint my style  
Id rather stick around for a lil long while  
At least twice a week if she's a good freak  
Bitch left a hicky on my left butt cheek  
Mann Im as strong as an ox  
And your baby mothers a baller  
We call her the head doctor  
And nobody can stop her  
You need to drop her  
Cause all she really wants is a baller  
That spends fifty thousand dollars  
On the Mexican BOXER  
We did it twice last night and once in the mornin(2x)  
(SPM)

She's riding my pony Mann she's horny  
But it aint no fun if I cant call the homies  
Early in the morning watching erkl while she blow me  
When she see me with my girlfriend  
she act like she dont know me  
Cause she got love for me  
My balls are never lonely  
Call me crazy with that ass  
And the pretty cheecharonies  
In my room jamming oldies  
She's dancing in her chonies  
Had her screaming in the deli  
Till the neighbors call the police  
So we had to take it else where  
Take it to the embassy  
Picked up a stripper frind with lots of intendeesy

Half black and Japanese  
Gone off them dakeries  
My bitch ate her out  
While I filled up her cavities  
Then we did it

Twice last night  
And once in the morning(2x)

(Baby Beesh)  
She grabbed from my paw and I said aw naw  
Rushed to the bed and jumped straight on my drowse  
The next thing she saw playboy wasnt small  
She asked baby beesh can I please take it off  
She me and Im yum yum  
Mann we was doing it big  
She made me cum cum  
Damn I think I woke up her kid  
But we was on one  
With some appedosia and wine  
I gotta freak one  
Aint no bitch colda then mine  
She got that platinum punana  
Fuck madana and jenny jenny  
My momma be on that remmy  
Mixed with henny when she get me  
And when I get her I gotta  
Hotter than enchilada  
Oohh she brought her friend too  
Now its a manasiatwa  
Against the wall let the camera record  
I got the berries and the creep so we will never be  
bored  
She kissed that teta  
Told her nena would you please kiss your friend  
She said you know I cant dadada  
But is you joining inn  
I said for showly  
We started off slowly  
Once it hit midnight we went hard at 1:40  
And then at 2:30 she started talking dirty  
she got me feeling like a champ  
When I dip up in the fury  
Forty five minutes straight  
Dripping wet took a power nap  
Six in the morning got her wetter then the shower cap  
She was on top and I was on under  
the b a b a bed hit the wall and it sounded like thunder

We did it twice last night  
And once in the morning(2x)
