Come line and mount on the pavement
No need to find a replacement
Heart flaws become just the usual
Soft porn his late night perusal
The lines are touched with a finger
So close it keeps you believing
Then pull back into position
And thrown back into the system...

How I love my life
Yes I'm sure I'll be back home by nine
And I'm oh so sure
That my money's clean and mind is pure!

Corporate boys
They don't have no time
Early morning start
Then back home in bed by nine
Corporate boys
They don't hesitate
Early morning start
Then back home they sit and wait

They play upon their computers
Those numbers mean nothing to us
Then out for lunch and a cocktail
The boss wants attention to detail
Back home there's nobody waiting
No girl no family meeting
You sit down and order a take out
You eat, drink, you talk, and you veg out...

How I love my life
Yes I'm sure I'll be back home by nine
And I'm oh so sure
That my money's clean and mind is pure!

Corporate boys
They don't have no time
Early morning start
Then back home in bed by nine

Corporate boys
They don't hesitate
Early morning start
Then back home they sit and wait

And if you feel like you can't get no-one
Just turn it off and switch it back on
Turn turn back on

Wooh!

Corporate boys
They don't have no time
Early morning start
Then back home in bed by nine
Corporate boys
They don't hesitate
Early morning start
Then back home they sit and wait
