Monkeys, they won't jump through your hoops no more
Nobody will listen 'cause your word ain't the law
Everybody takes it but nobody cares
What you gonna do when your money's not there?

Give it up
I've got to give it up
Give it up, I've got to give it up
Give it up, I've got to give it up
But I'll tell you what I want to do
I'll tell you what I want to do

Accidents will happen, somebody said
Workin' at a mess just to pay for your rent
Try a little harder head it in first
Cut another angle just to take out a verse

Give it up
I've got to give it up
Give it up, I've got to give it up
Give it up, I've got to give it up
But I'll tell you what I want to do
I'll tell you what I want to do

Give it up, I've got to give it up
Give it up, I've got to give it up
Give it up, I've got to give it up but I'll tell
You what I want to do
I'll tell you what I want to do
