I feel the lights down low  
I feel the lights down low  
Everyone seems to know

I feel the lights down low  
I feel the lights down low  
Everyone seems to know

And then I call you up  
and ask you how your day has been  
Your voice interrupts my mind  
and what state it's in

And I owe it to myself  
Just to leave you ohh  
cos im in love with someone else  
and i dont need you, and I dont need you

I feel the lights down low  
I feel the lights down low  
Everyone seems to know

I feel the lights down low  
I feel the lights down low  
Everyone seems to know

I stay late at work  
for the fear of coming home to you  
There is something new  
[?]

Oh a lecture I dont need  
if Im a sinner  
I am careless and I am [?]  
And I fear you, yes I fear you

I feel the lights down low  
I feel the lights down low  
Everyone seems to know
