I thought you'd be out of my mind

And I'd finally found a way to

Learn to live without you

I thought it was just a matter of time

Till I had a hundred reasons

Not to think about you

But it's just not so

And after all this time

I still can't let go

I've still got your face

Painted on my heart

Scrawled upon my soul

Etched upon my memory baby

I've got your kiss

Still burning on my lips

The touch of my fingertips

Is love so deep inside of me

I was trying everything that I can

To get my heart to forget you

But it just can't seem to

I guess it's just no use
In every part of me
Is still a part of you
I've still got your face
Painted on my heart
Scrawled upon my soul
Etched upon my memory baby
I've got your kiss
Still burning on my lips
The touch of my fingertips
Is love so deep inside of me
I've still got your face
Painted on my heart
Painted on my heart
Painted on my heart
Something in your eyes keeps haunting me
I'm trying to escape you
And I know there ain't no way to
To chase you from my mind
I've still got your face
Painted on my heart
Scrawled upon my soul
Etched upon my memory baby
I've got your kiss
Still burning on my lips

The touch of my fingertips
Is love so deep inside of me, baby
I've still got your face
I've still got your face
painted on my heart
painted on my heart
painted on my heart
