Oku kohu e he masani ai
Kehe hoki ma na sevae
Kave ai i hetahi fenua
Tagi tagi ai au mo toku kaiga

Taku mai pe i fea toku matua
Ve na puli e fakailoaina
Taku mai pe i fea toku tamana
Na galo atu i te taeao nei

E mamafa, e manako , e fakamatala
Te uiga o te folau

Tuku mai he tali e fakamalie ai au
Manatua lelei te vaitafe
Aku feleni e sakili mai au
Fakataumafai ae he mafai
E au o tali ki ei

E manatu fia manatu
Toku kaiga
E fia manatu toku kaiga

Nofonofu filemu lava venei
Ite pogiha, toku mafaufau e tiga
te fanoanoa - te pogiha - te fanoanoa.
