You took your eyes away  
And your amazing hair  
You took the sky away  
And all the breathable air  
And you left an empty room  
A useless bed  
And a suicidal moon

It's a good thing I don't have any feelings  
A damn good thing that I can't feel a damn thing  
Anymore

You took your love away  
All that amazing love  
You took the memory of whatever love was  
And you said:  
"I hate you  
I hate you  
I hate you,"

It's a good thing I don't have any feelings  
A damn good thing that I can't feel a damn thing  
Anymore

It's a good thing I don't have any feelings  
A damn good thing that I can't feel a damn thing  
I don't have any feelings  
Anymore
