It's in my right more than my left

After you've taken from me

My freedom of speech or the light through my window

Just because you can't see

Should be heard by the deaf

Seen by the blind

Those who are too frightened to lose, so

This is a letter

A letter to both sides and

You're stuck in the middle

It's a middle with no left or right

What do you feel? How would you say

To the men that sit at the top?

That you don't give a damn

But you still need your land, so

This is a letter

A letter to both sides and

You're stuck in the middle

It's a middle with no left or right

This is a letter

A letter to both sides and

You're stuck in the middle

It's a middle with no left or right

Some don't have time to see man and his wrongs

Others just expect to lose

If you don't have the need to take hold of yourself

How can you expect to choose? So

This is a letter

A letter to both sides and

You're stuck in the middle

It's a middle with no left or right

So this is a letter

A letter to both sides and

You're stuck in the middle

It's a middle with no left or right

So this is a letter

Letter

Letter
